GENERAL ALSO ROBBED.

Many Hurt When Mounted Men Charge Through Mob -Cavalry Ordered Out.

MEXICO CITY, Sept. 4.-Stoned and robbed of 3,000 pesos (\$1,500) yesterday by a mob of Maderistas in the principal thoroughfare of the capital, Gen. Bernardo Reyes, candidate for the Presidency in opposition to Francisco L Madero, was forced to abandon an effort to address his constituents and to run the gantlet of a jeering crowd, upon whom the police had received orders not to fire

Repeatedly the police charged and the hospital records show that forty-three persons were wounded, most of them by stones, but many show gashes made by police sabres.

The stoning of the aged general was the climax of a riot that began about 10 A. M. and was not entirely quelled late at night.

It had been announced Reyes would make his final speech of the campaign in front of the National Theatre. Gen. Reyes, his son, Rodolfo, and

some of his party leaders drove up in an automobile. Far outnumbering his supporters, the Maderistas crowded about his machine. Stepping from the car the provoked jeers, a rain of stones and other missies. The automobile was abandoned. Its

occupants walked four blocks, the rowdies following and throwing stones. REYES STONED WHEN HE TRIED TO SPEAK.

SPRINGFIELD, III., Sept. 4 .- Gov Charles S. Deneen suffered a double fracture of the left leg yesterday in at auto accident near Farmingdale, fifteen miles from Springfield. The Governor's big touring car was climbing a steep bill when the brakes refused to work, and the machine rolled rapidly downhill and smashed a buggy that was ascending.
It was after 6 o'clock before Gov. Deneen arrived at the Executive Manston here and received medical attention. He suffered excruciating pain and it was necessary to administer an anaesthetic Dr. Taylor says the injury is a severe one, both bones in the left leg being broken an inch and a half above the
